DATE of meeting of which the minutes are a record: April 8, 1991

The entry in the said minutes:

Upon a motion by Supervisor Brownlow, seconded by Supervisor Camp, with no comments from the public, the Board voted unanimously to approve an intergovernmental agreement with the Arizona Department of Transportation to furnish and install flashing light signals with automatic gates and timber plank crossing surface at Fort Rock Road and the Atchison, Topeka & Santa Fe Railway crossing west of Seligman after County Engineer Jerry Mumford said that this issue had been going on for a long time, that the County had improved the road, and that now it is time to improve the railroad crossing and that this agreement would cost \$1,945 in cash to the County and that there might be more cost to approximately \$5,000 to match up the roads in the end. He said that the signals would probably be in place within six months.
